

Freelance CEL Animator with strong character animation skills

POSITION OVERVIEW

We're looking for talented CEL animators with strong character animation skills to work on various VFX and motion graphics projects at our downtown studio.

The ideal candidate will have experience working in a similar role at an agency or production company however we are also considering recent media graduates.

You must be based in/around Vancouver and have a Showreel to demonstrate your skills in order to qualify for this role.

QUALIFICATIONS & ATTRIBUTES

- Degree in animation or a related artistic field.
- A Showreel/Potfolio demonstrating your skills.
- Strong character animation skills.
- Experience with creating 2D shaded frame-by-frame animation.
- Experience with Flash animation.
- A strong creative eye with exceptional attention to detail.
- Excellent multi-tasking, communication and interpersonal skills.
- The ability to work well on your own as well as part of a team.

COMPENSATION

Competitive (negotiable based on experience and the type/duration of the project).

ABOUT BLINK

We're a Vancouver based digital creative agency who create impactful videos, engaging social campaigns and compelling digital content. We build exciting content-focused campaigns for product launches, brand communications, training activities, and customer engagement. Blink's facilities include a large studio that is home to a national TV show and numerous other high-profile projects. Our team has extensive experience in content creation for the technology, consumer, financial, government and tourism industries. Check out our website for more information: <http://goblink.com>

TO APPLY

Please submit your Resume and Showreel to production@goblink.com. No phone calls or recruiters. Please do not apply for this role unless you meet all the necessary requirements. Only suitable candidates will be contacted.
